"Thanks to LSSP I am a better servant leader." -Ali Grotkowski, Western Canada District

"LSSP was an amazing opportunity to see a new part of the country, meet a whole new group of friends, and do service in a community all at the same time."
-Alicen Miller, Indiana District

"It's great to see a true family come together to make a difference. It didn't matter what District, or school we were from, we were there for a common purpose."

-Stuti Mehta, Texas-Oklahoma District

"I have been to three LSSPs and each one has been an amazing adventure! I have made some of the best and closest friends I have during LSSP and together we accomplished something great. From building libraries and playgrounds to renovating family shelters, LSSP is what Circle K is all about: Service, Leadership, and Fellowship."

-James Dimagiba, Rocky Mountain District

"I've had great experiences at LSSP - making such an awesome impact on the community while hanging out with tons of amazing Circle K'ers. I'm already dreaming about LSSP Denver!"
Sara Schuessler, Nebraska-Iowa District

"Members from throughout the entire organization coming together to serve the needs of a community while getting to meet new people and to see old friends was such an incredible experience. LSSP memories are ones that I will definitely carry with me all throughout my life. Anyone who has the opportunity to attend LSSP should definitely take that opportunity - you won't regret it!"
-Justin Garrow, Capital District

"I was able to make many new friends and have collected many unforgettable memories. But, most of all, I can walk away with a smile on my face, knowing that we all came together and made a difference through our never-ending tenant of Service."
-Chad Taylor, Kentucky-Tennessee District

"LSSP 2007 was my first international event and I have to say that it is one of those events that you have to go to each year or else you will be regretting it for the rest of your life."

Brent Powers, California-Nevada-Hawaii District
